

Young Cricketers' Pre-Season News

We are gearing up for the forthcoming season. Here are some preliminary details.

A Pre-Season letter together with Fixture Card will be posted out in early April.

Squad coaching starts on Sunday April 17th and although the following Sunday is Easter we have decided to hold the "Pre-Season Get-together", for all age groups, on the 24th at 12.30pm following the Under 10s coaching session. Please make a note in your diary.

The Colts Fixtures have been allocated. We shall have a busy time. The Home and Away League matches will occupy most evenings between April 27th and July 15th with additional Cup games.

The immediate concern is to seek help from both Mums and Dads to act as Team Managers. We have vacancies at Under 10 **A** and **B**, Under 11**B** and Under 15.

It's not a particularly arduous task - confirming fixtures, notifying selected players and organising transport to away matches. The Managers would liaise with the coaches regarding team selection. Two parents working together might make it easier.

Any one willing to help should contact Kingsley Grimble, the Young Cricketers Co-ordinator on 01753 886366, 07770 508041 or at grimblek@aol.com. He'd be happy to talk you through the job.

Evening squad coaching will be as follows, starting Monday April 18th.

Mondays	U14s, 15s and 16s)	
Tuesdays	U13s)	
Wednesdays	U11s)	Registration at 6.00pm prompt, for 6.15 start.
Thursdays	U17s)	
Fridays	U12s)	

Under 7s, 8s, 9s and 10s are coached on Sunday mornings starting April 17th.

You will find a Colts Kit Order form elsewhere on this website.

Here's to an enjoyable season.
