

## **Hawridge & Cholesbury vs GX**

A big thanks to all of the male support (Dads) for Sundays game away at Hawridge & Cholesbury on a blisteringly hot morning, with special note top Martin Crossley for Scoring and Richard Wheatley Umpiring and encouragement during the game.

GX U11b ran out victors by 19 runs scoring 246 for 5 against Hawridge & cholesbury's 227 for 5.

Despite having only 9 players for the game (apologies have been forthcoming and accepted), we fielded our 9 players and the Hawridge & Cholesbury scorers son Harry Sargeant (many thanks).

A big thanks again to Max Vaughan for filling in at short notice and performing extremely well with both ball and bat. Archie Vaughan inspired by the presence of his brother and not wishing to be outdone bowled back to back wickets in the 13th over (unlucky for some).

## **GX vs Ley Hill**

On to Tuesday's rescheduled fixture against Ley Hill, another victory for our boys against a Ley Hill side who hadnt lost a match until this encounter. GX won by 12 runs scoring 239 for 6 against Ley Hill's 227 for 12.

Thanks to Mike Heppner-Logan for Umpiring and dealing with the casualties during the match.

GX started at the crease (our boys were a little late arriving.....please note) with Harrison Roe (13 for 0) and Thomas McCooke (5 for 0) partnering a well organised opening.

Following on were Thomas Garry (4 for 0) and Max Vaughan (5 for 0) (thanks again to Max for filling in for the 3rd time at short notice) again sharing a good partnership including an impressive boundary from Max.

Third to the crease were James Cooklin (8 for 0) and Harry Davidson (0 for 2) with James demonstrating his most commanding performance at the crease this season.

The fourth pair to the crease were Daniel Mackinnon (1 for 1) and Stanley Walsh (10 for 0) (on his first appearance for the U11b's). Stanley demonstrated an ability fitting his selection and stroked the ball to the boundary twice with relative ease.

The final pairing of Zach (5 for 2) and Callum Hepner-Logan (5 for 0) saw the boys demonstrate a varied array of shots at the crease.

Once again the majority of our fielding was great with notable back to back maiden wickets for James Cooklin and Harrison Roe, a maiden wicket from debutant Zach Heppner-Logan and a further maiden over from debutant Stanley Walsh. But for a few dropped catches, lapses of concentration and a few loose balls in the final overs which made me a little nervous the game was well won with only 6 of the B squad players fielded.
