## Sports Leadership Opportunities

All young players who show an interest and aptitude will be given the opportunity to extend and practice their skills as sports leaders.

This may involve attending sports leadership courses or being involved in supporting the Minis teams.

When sports leadership opportunities take place there will always be an experienced adult present with the responsibility of giving feedback to the young umpires.

Team managers for U16 and U14 teams to be made aware of the availability of these sports leadership opportunities at the beginning of the season.

We will promote any sports leadership courses that come up to the relevant junior members.
