Umpiring Opportunities

All young players who show an interest and aptitude will be given the opportunity to umpire during the Bucks Minis Tournaments.

This will involve umpiring U12, U10 and U8 mini games.

When umpiring opportunities take place there will always be an experienced adult present with the responsibility of giving feedback to the young umpires.

Team managers for U16 and U14 teams to be made aware of the availability of this umpiring opportunity at the beginning of the season.
