

# GXDW Tennis Club

## Our Playing Eligibility Rules

- Only existing members of the GXDW tennis club are eligible to use these courts
- Other than for life and multi-year memberships, a membership is only existing if the member has paid the subscription for the current year and holds a current membership card
- Unless members of the cricket or hockey sections are also members of the tennis club, they are not eligible to play on these courts, and non-member rules apply
- A non-member may use the courts, subject to availability, and only with an existing member. A £5 daily charge, £3 for juniors, should be collected by the member and paid to the Head Coach or Committee treasurer
- A non-member can only make three visits per year to the club on this basis. After this, they will need to join if they wish to continue playing at the club
- These rules will be enforced by the club coaches, by club committee members, and by existing members. Any non-member failing to follow these rules or responding inappropriately to being challenged, will not be allowed to play further and may have any future membership application refused
- Members should keep their membership cards with them, so as to be able to confirm their membership status if challenged
